FOREST FIRE WARDEN'S REPORT

PREVENTION IS YOUR BUSINESS

Carelessness, **Human Carelessness**, causes nine out of ten forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed—all because **many** are **careless** with fire in and near woodland. This can be remedied. **You** can put an end to this shameful waste! **Prevention** is **Your** business!

You, whether **you** be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First—by setting a good example **yourself**—being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second—by using **your** individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for **you** and for them.

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning—don't leave it.
3. Make certain your fire, camp or debris, is **DEAD OUT** before leaving it.
4. Don't throw down lighted matches, cigars and

cigarettes or from moving vehicles—make sure they are out—use your ash tray.

5. Don't burn at home—use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires 2.

Number of acres burned $2\frac{1}{2}$.

Number of permits issued 63.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Effingham:

During the school year 1959-60 the teachers in the Effingham schools were: Mrs. Marie Lloyd at the Falls School, and Mr. Philip Martin at the Center School. Mrs. Lloyd and Mr. Martin are competent and conscientious teachers and we are fortunate that they are continuing to serve in their respective schools during the current year.

Total enrollment in the Effingham schools was 56 with an average membership of 49. The schools opened in September 1960 with an enrollment of 51 pupils.

There were 19 pupils enrolled at Kennett High School with the tuition rate of \$355.00 per pupil, and four elementary pupils at the Ossipee Central School with the tuition rate of \$240.00. At the beginning of the current year 20 pupils enrolled at Kennett High School with the tuition rate of \$370.00, and three elementary pupils at the Ossipee Central School with the tuition rate of \$250.00. The tuition rate at Kennett High School for 1961-62 has been announced as \$395.00.

Mrs. Rebecca Sanborn, R. N., provided very efficient and effective supervision of the school health services, and is continuing in the same position during the current year. Physical examinations are made by Dr. David P. Dutton with Mrs. Sanborn's assistance.

At the last annual district meeting appropriations

were made by Effingham, Freedom, Madison and Osipee to provide instruction in music in the schools. These four towns engaged Mrs. Dagny Blouin of Freedom. Mrs. Blouin holds the degree of Bachelor of Music and attended the 1960 session of summer school at the University of New Hampshire where she studied courses in education. This is the first time our pupils have experienced the advantage of instruction by a professionally trained music teacher. The instruction in all grades this first year is, necessarily, elementary. The pupils are making excellent progress and are enjoying the experience. Mrs. Blouin is to be complimented for her good work.

During the current year the interior of the Falls School has received a new coat of paint in attractive pastel colors. At the same time new lights were installed in the same building so that the classroom is now very well lighted.

It has been my privilege to serve as your superintendent of schools during the past fifteen years. My association with members of the school board, teachers, citizens, and pupils has been very pleasant, and the cooperation of all concerned is most earnestly appreciated.

Respectfully submitted,
EVERETT H. BRASIER
Superintendent of Schools
